

COMPANY PROFILE 2023

ABOUT US

Al Saad Trading Company for paper cutting and trading was established in Egypt in 2017, **with over 20 years of experience** in the paper trading field.

The first factory was established in 2017, and the second factory was built in 2021.

The company entered the UAE market in 2020 under the name "Jazeera Paper" Trading Company and is now operating in the paper cutting sector in both Egypt and the UAE, aiming to offer its products and services targeting **global markets**.

**OUR
PRODUCTION
CAPACITY AND
COMPETITIVE
ADVANTAGES:**

The company has two halls equipped with the latest technologies in paper cutting, capable of producing **4 paper rolls simultaneously at speed of up to 600 meters per minute.**

The company seeks to offer the best quality and price and strives to compete competitively in its costs.

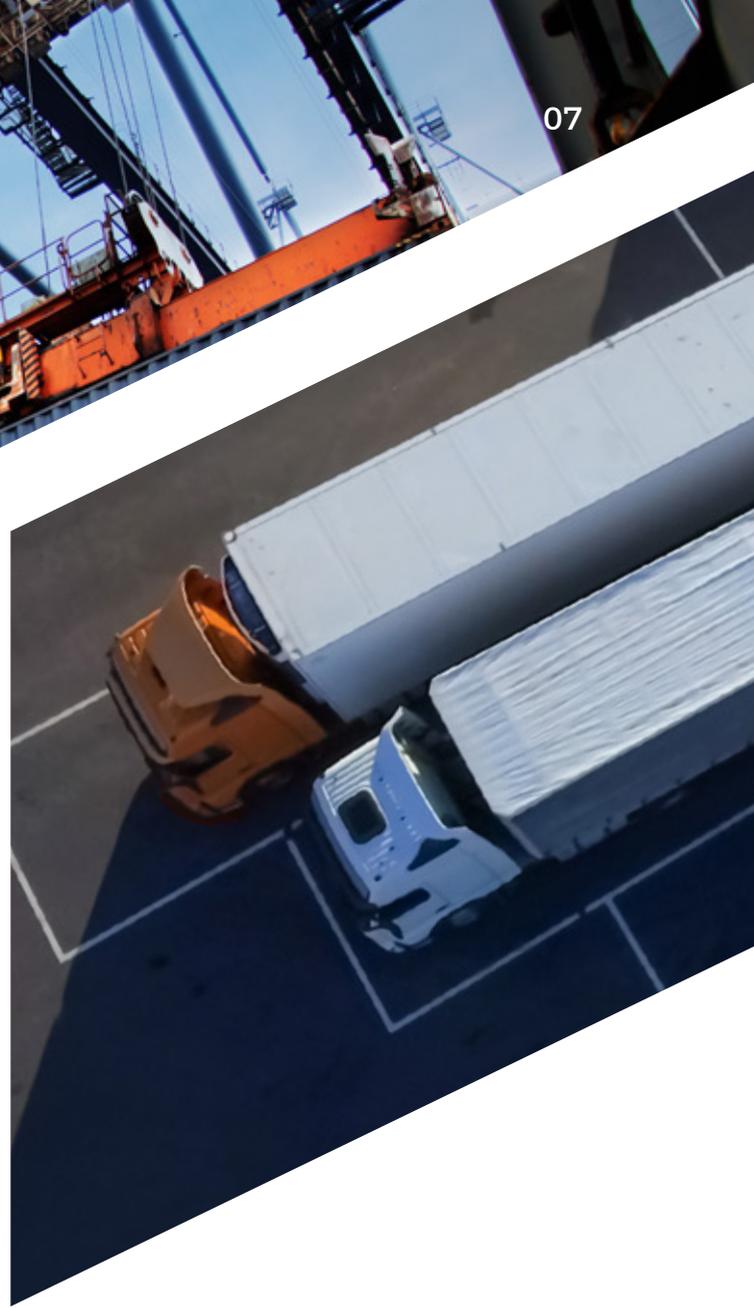

OUR SERVICES

The company produces different types of services

- **The paper cutting service with the latest technologies.**
- **Supplying on behalf of others.**
